**DIRECTIONS**

Using the Internet and any free program you find, create an online exam or quiz for your discipline and grade. It must include a minimum of six questions.

If possible, print the exam/quiz and staple it to this handout before submitting it to your instructor. Regardless, you **MUST** provide the instructor with directions (including login and password if necessary) for finding and completing your exam/quiz on the Internet. You may be required to create a class roster and enter **your instructor as a student**.
