What additional documents/evidence (not listed on the Candidate Gradesheet) are you looking for behind the Misc. Assignments tab in my portfolio?

1. Evidence of BLOG participation
2. Evidence of joining a mailing list
3. List of ten things you would put on your class website and five things you would not put on your class website.

Even if it is too late to receive credit, you MUST have evidence of receiving and printing my email attachment behind the Misc. Assignments tab in your portfolio. You cannot pass this class unless you can send, receive, open, and print an email attachment. ~~BLM
