

Mistake Bounty Submission

Purpose: Did I make a mistake on the solutions I posted? That's bad. But if there's a mistake, I missed it. I want you to tell me about it. If you're currently enrolled in one of my classes, you can receive extra credit for correctly identifying mistakes on the solutions posted by filling out the form below.

Best of luck bounty hunting,
Dr. Jeffrey Beyerl

Which Course and Semester?

(Example: Calculus 1, fall 2015)

Which item has a mistake?

(Example: Quiz 2)

Which problem?

(Example: Problem 5, part b)

Describe the mistake.

(Example: On the third step you lost a negative sign)

In the space below, provide a COMPLETE solution to the problem from beginning to end.

(Or attach an additional page if you need more space)

Instructor use only:

- Obvious Typo: Add ½% to the next test.
- Mathematical Mistake: Add 1% to the next test.
- Conceptual Mistake: Add 5% to the next test.
