DIRECTIONS

Five Lesson Plans

Using the Internet and any search engine you choose, locate/download/print five FREE grade/discipline specific lesson plans. **NOTE:** (1) A lesson plan has lesson objectives. (2) A lesson plan may include activities, but an activity is not a lesson plan.

Rubric for Downloaded Lesson Plans

Criteria	Points Possible	Points Earned
Five lesson plans printed (all from different Web addresses)	100 (20 pts. each)	
Web addresses circled or highlighted	-5 points for each error	
TOTAL POINTS POSSIBLE	100	

Two Rubrics

Using the Internet and any search engine you choose, locate/download/print two FREE grade/discipline specific rubrics. **NOTE:** (1) A rubric is a grading instrument or tool. (2) A rubric outlines specific criteria by which the assignment will be scored. (3) A good rubric establishes the points possible for each criterion and the total points possible on the assignment.
